THIS YEAR'S CHARITY

Past President Dave Holt, MPM® RMP®, has chosen Special Olympics Minnesota as his worthy, charity organization.

Dave's wife, Mary, has worked with special needs kids for many years. Together, they have helped with Special Olympics and other areas for special needs kids. Special Olympics is a global movement of people creating a new world of inclusion and community, a world in which every single person is accepted and welcomed regardless of ability or disability. We are helping to make the world a better, healthier, and more joyful place — one athlete, one volunteer, one family member at a time.

Dave feels that, "As property management professionals, we sometimes deal with people who are not so thankful or caring in regards to how they treat others or treat the property of others. This is unfortunate and a very frustrating part of this business. Special Olympics participants are so thankful and so genuinely happy to be welcomed and able to take part in things we take for granted. The joy and warmth you receive from them helps ground you and puts life in perspective, which is sometimes hard to come by in our day-to-day business lives."
