LEAD WITH ALOHA

Presented by Tadia Rice

“Mutual regard and affection that extends warmth in caring with no obligation in return.”

“Essence of relationships in which each person is important to every other person for collective existence.”

“Aloha is the essence of God in man.”

“Coordination of mind and heart”

“To hear what is not said, to see what cannot be seen and to know the unknowable.”

“Aloha is not something that you do, it’s not even the way you do something. It is being in touch with yourself. When you are in that state, whatever you do expresses Aloha.”

“In the next millennium, the world will turn to Hawai`i in its search for world peace because Hawai`i has the key, and that key is ALOHA.”
