

Join Us September 9th at 3:00PM ET Strategic Planning

In business and in life, failing to plan is planning to fail, and many organizations set out with the best of intentions only to end up at the mercy of the most active and aggressive personalities. Sustainable success is attributed to proven systems and processes that are executed in a deliberate way generally beginning with intentional leadership. This engaging workshop will introduce a proven framework that can be used by all chapters ranging in sizes from small to large. Whether you are leading change or starting from scratch, this workshop will offer simple straightforward methods for solidifying your plan. Specific areas of exploration will include:

- **Conduct a GAP Analysis**
- **Establish a scoreboard and identify key performance indicators**
- **Incorporate a four-step process for succession planning**
- **Explore techniques for increasing member engagement**
