Committee Reports

Membership: No report.

Newsletter/Website/Slideshow: Kasey got another good newsletter out.

Speaker/Education: Rebekah knows of another person who does photography class for clock hours. It's 7 hours long. He may be a good option for next year. He can also do an hour long talk. Rebekah will contact Chrystzna Rowek Perry regarding talking at December chapter meeting.

Legislation: No report.

Vendor Affiliates: One more potential vendor requested information – Elite Collection Services. Bob hasn't heard back yet whether they will apply.

Charity: Ian and Tami are working on charity contribution to a pet focused group.

Old Business: Gift card was mailed to Julie Johnson since she was not able to attend the July meeting.

New Business: Discussed whether KC chapter should have a booth at TRENDS. The consensus was not to have a booth this year. NARPM should maybe look other tradeshow put on by REALTORS. Foursquare contacted Ian and Ricky about offering a class. Rebekah will do more research into what they offer.
