Meeting called to order by Ian Joseph at 10:03 AM

Meeting Minutes: Reviewed and approved meeting minutes for August.

Treasurer's Report: We are not always meeting the minimum for meetings. Might need to consider meeting less often. We will discuss at the in person planning meeting. Perhaps mention to the general membership and get feedback.

Secretary Report: Michelle has reserved the board room at the hotel for the November Board Meeting/planning meeting. Michelle will add a poll to the Evite regarding how many meetings per year is reasonable.

Committee Reports

Membership: Need more “fanfare” around meetings in order to stir up greater attendance. Successful winner for last membership drive. Have not been any new members recently.

Newsletter/Website/Slideshow: No new news. Kasey working on newsletter.

Speaker/Education: No report.

Legislation: Jan 1 senate bill preventing disclosure of certain things on credit reports such as domestic violence. Rule regarding keys already in effect.

Vendor Affiliates: Table sponsor, ServPro, did not show up during August meeting. Bob will give them a chance to be table sponsor at the September meeting. Bob will see what happened to Bales.

Charity: No new news.

Old Business: Shelia is working on chapter compliance.

New Business: Pre-Paid Legal was interested in partnering with KC Chapter, but Board declines to do that. Considering whether or not we should continue to have name badges as it's a problem keeping them current.

Meeting adjourned at 10:20 AM. Minutes submitted by Michelle Prestin September 10, 2013.
