WESTERN MONTANA CHAPTER NARPM BOARD MEETING MINUTES
March 5th, 2009

The meeting was called to order at 12:00 p.m. by President Aaron Gingerelli. Attendees included Aaron Gingerelli of Summit Property Management, Tom Chapman of Professional Property Management, Jennifer Plum, Sherrie Featherly of Missoula Property Management, Jodi Corette of Grizzly Property Management, Lisa Gohrick of Grizzly Property Management, Jim McGrath of Missoula Housing Authority, Pam Gannon of Real Estate Management Group and Rebecca King of Tri West Property Management.

Handouts/packets handed out by Jennifer and Lisa.

Aaron gave Sherrie the updated Affiliate Member list to update the website. Jodi will begin keeping a list of Affiliate Members on the treasures report, which are current on their dues.

Deadline with the Independent on article topics are March 6th, 2009. Authors and article topics are as follows:

1. Sherrie Featherly – Average rental price comparison by bedroom # and neighborhood. (This will be broken into two separate articles).
2. Jennifer Plum – Application Process.
3. Lisa Gohrick – How to get your security deposit back (with pictures).
4. Pam Gannon – Roommates / Benefits and concerns.
5. Aaron Gingerelli – Utility set up and averages.
6. Jim McGrath – Affordable Housing.
7. Tom Chapman – Renter safety, housing inspections.

Becky and Jodi will email us with their choice of article. Aaron will contact the Independent to let us know how long our articles can be and will report back to the group.

The Independent will need to present the group with the outside and inside cover. The covers will need to be emailed to each of us for our vote to accept.

Jennifer discussed new meeting space with the group for our monthly and continuing education meetings. Jennifer presented proposals from The Hilton, The Broadway Inn, and Missoula Children's Theatre. At this time The Doubletree does not charge a room fee and charges \$16.00 per plate for food.

Aaron discussed the Regional Conference in Portland, Oregon. From a show of hands the majority of the board will be attending the conference. The board discussed, voted, and approved the following criteria to be reimbursed for attending a conference:

1. President Elect will be fully reimbursed for a conference (either regional or national, but not both) including gas, room, registrations, and classes. Ethics training must be completed.
2. \$100.00 reimbursement for any National NARPM Member for a conference (either regional or national, but not both). Must attend Leadership Symposium and Conference.
3. \$200.00 reimbursement for any Board Member for a conference (either regional or national, but not both.) Must attend Leadership Symposium and Conference.
4. Must report conference notes back to the chapter.

Aaron has been speaking with realtors who may be interested in purchasing our vacancy reports and statistics. Aaron would like to see a polished and true data base of vacancies/occupancies. Some ideas brought up as follows:

1. Monthly, Quarterly, Semi Annual or Annual report for sale to interested parties.
2. Monthly, Quarterly, Semi Annual or Annual payment of interested parties to access these reports.
3. Log on feature to the website for interested parties to locate and review these reports.
4. Making it mandatory for property management companies that are members report their vacancies to produce a more accurate report.

This topic will be discussed at further meetings and no decision has been made regarding the sale of these reports.

At the previous monthly meeting on February 26th, 2009 the topic of purchasing a Certificate of Deposit with a portion of the chapter's funds had been discussed. During the past few days Jennifer has contacted several banks within the Missoula area to inquire about current CD rates, penalties, and terms. A handout was presented with eight local banks including an Affiliate Member bank.

Sherrie suggested using our Affiliate Member, Treasure State Bank, for the purchase of the CD. Others had different ideas and suggestions regarding the length of the CD we should purchase. No decision was made and further discussion will be done throughout emails over the next few months and then will be discussed again at our next board meeting.

Jodi states we have been averaging a \$1000.00 increase in the checking account each year over the past few years.

Meeting was adjourned at 1:22 p.m.

Respectfully submitted,

WESTERN MONTANA CHAPTER NARPM BOARD MEETING MINUTES
Wednesday, June 10th, 2009

The meeting was called to order at 12:00 p.m. by President Aaron Gingerelli. Attendees included Aaron Gingerelli of Summit Property Management, Tom Chapman of Professional Property Management, Sherrie Featherly of Missoula Property Management, Jodi Corette of Grizzly Property Management, Jim McGrath of Missoula Housing Authority, Pam Gannon of Real Estate Management Group and Rebecca King of King Property Management.

Absent attendees include Lisa of Garden City Property Management and Jennifer of Plum Property Management.

Decision on chapter funds – Jennifer called around to various banks. Aaron suggests going to a 3 to 6 month term at best rate possible and invest with five to ten thousand. Tom agrees, it seems that we are maintaining around the same level of funds from month to month. There was some discussion about the National Grant contributing to Continuing Education. Expected funds are \$600.00. We are somewhat breaking even on the class costs. Aaron recommends those classes that apply to realtors could be marketed to the realtors to increase funds coming in. Tom moves to do approve this idea, Sherrie seconds. Aaron suggests that the bank we choose to hold our CD should become affiliate members, if not already. All are in favor, no opposition.

Monthly lunch costs – Currently we are collecting \$4.00 for lunch. Aaron suggests reducing the lunch cost since we are making money in other areas. Sherrie suggests we should rename it to "due" as other chapters have. Current rate for lunch is \$15.00 per plate and we charge \$19.00 per plate. Aaron asked for Jim's input as an affiliate member on paying \$5.00 and skip lunch. Aaron discussed doing a lesser lunch and the hotel will not allow this. We did look into other venues and this is an average cost. Aaron suggests going to \$17.00 instead of \$19.00 per lunch. Tom recommends considering the duration of the meeting along with lunch costs and charging actual cost. Aaron states we will potentially be losing \$1500.00 per year of revenue if we charge actual cost of lunch. Sherrie questions increasing the meeting time and the affect it will have on days we have continuing education. If approved this could put our continuing education classes ending at 6:00 p.m. Pam advises on days we have continuing education we could skip guest speakers and simply have business meeting. Sherrie suggests breakfast meeting. Will breakfast meeting be at a cheaper rate? A survey for the group's opinion is suggested. Members discussed bringing in speakers from a national level. Tom recommends charging an increased meeting fee. Sherrie suggests sending out a mailer as we do for continuing education classes to tally attendees. We can also market this to others. Final voting: lunch will drop to \$15.00 per plate and reevaluate at a later date. Sherrie and Aaron are opposed to this decision. A larger fee may be charged for lunches with a national guest speaker.

Concerns were brought up regarding the Independent's Parade of Apartment Inserts. Members have not seen the inserts distributed around Missoula. Sherrie recommends distributing the inserts to tenants walking in their offices. Was this a good use of our funds.

Meeting Duration – Currently we meet from 11:30 a.m. to 1:30 p.m. Including lunch and guest speaker there isn't enough time to conduct business. Aaron says this will pose challenges to encouraging employers to bring employees as they will be out of the office for longer periods of time. Rebecca recommends increasing the meeting by half an hour. Aaron states members can leave when finished as opposed to filling entire time. Sherrie suggests incorporate round table discussions. Having the round table discussions can help us grow stronger as a group and assist in

networking. Jennifer can do a survey. Per Tom, a format change in the meeting could be done at the President's level.

SB 323/Education – Tom states the Board of Realty Regulation doesn't care about this. Consider doing an education component in September working with Olivia at ASUM as the guest speaker. Pam will coordinate this with Olivia. Tom will email the Board the progress use as an opportunity to grow the membership.

LORC – Tom would like a position description for LORC. Aaron will look into this and then run it by Pam and the Board.

Montana Fair Housing as an Honorary Member – Pam states this is well received by everyone at her section of continuing education. Their contribution is recognized and we should make them an honorary member. A letter to them mentioning this at the next meeting is recommended. Sherrie moves to approve and Rebecca seconds. All in favor and no opposed.

Update of Affiliate Membership – Sherrie will update the website to reflect current affiliates. The two honorary members are the Missoula Police Department and Montana Fair Housing. No one will be listed on the website if they have not paid their affiliate dues. Aaron recommends networking for vendors that can help grow our chapter. Aaron has welcome letters and form letters explaining the benefits of joining. Per Jodi, Affiliate Membership is January through January. If an affiliate becomes a member mid-year their rate will be pro-rated. Aaron would like to have recognition at following meeting. Tom and Aaron state members get a free lunch if bringing on an affiliate. Tom recommends updating email list. The more we communicate with each other the more chance we have of keeping things going and being prepared when September comes around.

In the absence of Jennifer, Pam took notes for this meeting.
