

National Association of Residential Property Managers

To: NARPM Designation Auditors

Re: Verification of Unit Years

“One unit year” equals management of one residential unit for one year. Verification may be provided by: Employing Broker, or Certified accountant.

RMP® - Requires 100 unit years minimum, and currently managing at least 25 at time of packet submission over a minimum of two consecutive years.

MPM® - Requires 500 unit years minimum, and currently managing at least 50 at time of packet submission over a minimum of five consecutive years.
