Dear Jill:

The National Association of Residential Property Managers (NARPM) has received the Southern Nevada Chapter of NARPM Certificate of Compliance.

I am delighted to inform you that your chapter has received conditional certification as you were unable to meet all the requirements as established by NARPM for the year 2006. Those items being: establish effective communications with the member; and sponsoring/participating in educational programs. NARPM will review your chapter's progress at the end of 2007 and if the items are completed your chapter will received full certification at that time. We will be keeping a copy of your information on file at headquarters so in future years you will only need to provide us with updates

Thanks for your support in making the residential property management industry a truly professional industry. If I can ever be of assistance please call on me.

Sincerely,

Gail S. Phillips, CAE
Executive Director
