National Association of Residential Property Managers

THIS YEAR'S CHARITIES

Three California Past Presidents Raymond Scarabosio MPM® RMP®, Melissa Prandi, MPM® RMP®, and Andrea Caldwell, MPM® RMP®, have chosen two equally worthy organizations.

The American Cancer Society, one of the oldest and well known charities for this cause, is in the forefront of the fight against this scourge of a disease threatening our population. As cancer has touched the lives of Raymond, Andrea and Melissa, the choice of this charity was an easy one.

The Nice Guys have been a part of the San Diego community since 1979. They help local families and individuals who, through no fault of their own, have fallen on tough times. Their goal is to get people back on their feet and be self sufficient again. The Nice Guys serve the San Diego area and their only reward is, and always has been, the pleasure that comes from helping others. Nice Guys make a difference by offering a hand up! They are 100% volunteer, non-profit organization with no overhead, no office space and no paid staff. Every dollar received in donations goes back to those in need in the San Diego Community.
