

CONFERENCE BROCHURE

A large, stylized orange outline of the state of California serves as a background for the lower half of the brochure. A blue magnifying glass is positioned over the northern part of the state, specifically over the Napa Valley area. Inside the magnifying glass's lens, the word "NAPA" is written in blue, bold, sans-serif capital letters. Below "NAPA", the dates "MARCH 24-27" and "2015" are written in a smaller, blue, sans-serif font. The background of the entire page features a pattern of light gray and white diagonal stripes radiating from behind the California map.

WELCOME FROM THE REGIONAL VICE PRESIDENT, PACIFIC & PACIFIC ISLANDS REGIONS KEITH BECKER, MPM® RMP®

On behalf of the Executive Committee and Board of Directors of the National Association of Residential Property Managers as well as the Executive Committee and Board of Directors of CALNARPM, it is my distinct pleasure to welcome you to the TWENTIETH annual CALNARPM California State Conference. As California's economic recovery continues into 2015 and beyond, "Focus on Your Future" is the perfect theme for this year's conference, which once again returns to the breathtaking Napa Valley. Only at this CALNARPM Conference will you be able to benefit from many state-specific workshops and seminars, designed to help you navigate the complexities of being a property management professional in California. In addition, you'll have ample opportunity to increase your overall industry knowledge by participating in any of the many general sessions and workshops being offered. I encourage you to improve your skills, work toward a professional designation, and burnish your personal reputation as an industry leader by attending any of the NARPM® educational classes being offered. Please join me in taking full advantage of this year's CALNARPM Conference and the beautiful Napa Valley locale. I am confident this event – with its numerous workshops, classes and networking opportunities – will leave a lasting impression on each attendee, providing you a genuine opportunity to Focus on Your Future!

PAM STRICKLAND

California Compliance Consulting

Pam Strickland is an independent compliance consultant for real estate, mortgage, escrow and property management companies. She has held a California real estate license since 1980 and her clients include both CalBRE and DOC licensed companies. She strongly suggests that companies always remain completely compliant with all laws and regulations and not wait until the auditors are knocking at their door to get things in order.

In addition to her in-office consulting, Pam is a writer, speaker and instructor on real estate industry topics and an expert witness for real estate related litigation. She has over 30 years of real estate and mortgage experience and managed a large brokerage in Santa Barbara before becoming a full-time consultant in the early 1990's. She has served on numerous committees and boards in the real estate and mortgage arena as well as being a member of the DRE Continuing Education Advisory Committee.

JOHN R. BRADFORD, III, MPM® RMP®

CEO and Founder, Park Avenue Properties

John obtained his North Carolina Broker's license in 2003 and began Park Avenue Properties with two other partners as a Real Estate Development firm. In 2007, John became the sole owner of Park Avenue Properties. Recognized by Inc magazine as one of the fastest growing privately owned companies in America, John attributes his company's tremendous level of success to fundamental business basics he learned in corporate America. He worked in management and executive sales roles with IBM and ExxonMobil for 14+ years which provided him first-hand experience in proving that business basics are the keys to success. He served as the 2014 National Treasurer for NARPM® and in 2014, John was elected to the North Carolina House of Representatives and currently serves as the Freshman Majority Whip. John was honored by the Charlotte Business Journal and named to its 2014 class of "Forty under 40." In 2011, John was named "Business Person of the Year" by the Lake Norman Chamber of Commerce. In 2008, John received his Residential Management Professional (RMP®) and Master Management Professional (MPM®) designations from NARPM®. In his spare time he enjoys fishing, camping, traveling with his family and, of course, real estate.

SELECT COURSE(S)

- ☐ **Risk Management Essentials** | Mar 24, 2015 | 9 am – 4 pm | Vickie Gaskill, MPM® RMP®
The objective of this course is to identify and control the risks associated with Residential Property Management. The key points to cover will be sources of risk, approaches to risk, the agency – a relationship of trust, fair housing, and minimizing and controlling risk.
- ☐ **Operating an In-House Maintenance Company** | Mar 24, 2015 | 9 am – 4 pm | Dave Holt, MPM® RMP®
The objective of this course is to provide the property management professional with a background of information necessary to operate a maintenance company. While the course is no substitute for experience, the material will provide additional tools and techniques to help operate maintenance companies more efficiently and effectively.
- ☐ **Risk Management Advanced** | Mar 25, 2015 | 9 am – 4 pm | Vickie Gaskill, MPM® RMP®
A Risk Management course for Business Owners and CEOs that will provide managers and CEOs with advanced tools and theory of risk management. The key points to be covered will be insurance, liability / torts / negligence, company policies and procedures, anti-trust and preparing for court.
- ☐ **Habitability Standards & Maintenance** | Mar 25, 2015 | 9 am – 4 pm | Dave Holt, MPM® RMP®
Course materials will cover specific information from the Uniform Housing Code concerning basic habitability standards that govern local codes, policies of insurance companies, and our own Standards of Professionalism. Participants will learn what to look at when taking properties into property management and what questions to ask property owners about their buildings. Class participants will learn how to identify and differentiate the various kinds of molds, and what remediation steps need to be taken to protect residents and the property. Maintenance techniques regarding the handling of service requests, maintenance coordination, and implementing preventive and corrective maintenance will also be covered.
- ☐ **Ethics** | Mar 25, 2015 | 1 pm – 4 pm | Keith Becker, MPM® RMP®
(Required for all members every four years) Are you ethical? You may be surprised at the pitfalls. This course will cover the basics of ethical behavior in your property management business. The NARPM® Code of Ethics will be reviewed as well as the entire grievance process. The case study method makes an interesting course.
