THIS YEAR'S CHARITY

Past Presidents Michael C. Mengden, MPM® RMP®, and Stephen Foster, MPM® RMP®, have chosen the PTSD Foundation of America because of the benefits this organization provides our veterans.

This year's charity is dedicated to our brave men and women in uniform who understand duty, honor, and sacrifice. Many have returned home with both the visible scars, and the unseen wounds of war. As many as 400,000 service members live and struggle with the invisible wounds of war. Sadly, most think they are alone. Help us reach them. Help us help them.

PTSD Foundation of America is a non-profit organization dedicated to mentoring our combat veterans and their families with post traumatic stress. We feel it is our duty as Americans to help these mighty warriors and their families adjust and find their new normal. PTSD is faith-based in its approach and has a great history of providing hope and healing to those experiencing the unseen wounds of war.

Camp Hope provides interim housing for our Wounded Warriors, veterans and their families suffering from combat related PTSD in a caring and positive environment.
