NARPM® PAC and Advocacy Fund

WE CARE ABOUT PROPERTY MANAGEMENT

Who understands property management more than you (and all of us in NARPM®)? No one! We are the boots on the ground, the ones who know our industry in and out. The lawmakers aren't in the grind like we are. They need our expertise!

DECISION MAKERS MAKING LAWS WHICH AFFECT US

Should we leave it in the hands of the lawmakers to decide specifics on how to guide our industry? There are other lobbying groups, including tenants' rights groups, giving lawmakers ideas, such as rent control. Shouldn't we be the ones with ideas on how to make our industry better?

RELATIONSHIPS = RESULTS

NARPM® PAC and Advocacy Fund dollars help us build long-lasting relationships with lawmakers in our nation's capital. These relationships help lawmakers know with whom to communicate, concerning any property management related issues and upcoming bills. We want them to come to us, as the property management experts.

INVEST TODAY TO REAP FUTURE REWARDS

We need all of our NARPM® Members to invest just \$25 into the NARPM® PAC and Advocacy Fund. If we don't all believe in our industry, who will? We cannot sit by and wait to see how new laws will negatively affect us. We must be at the table with a positive influence to protect our livelihood. Invest today!
