### THIS YEAR'S CHARITY

2023 NARPM® President Tim Wehner, MPM® RMP®, selected Communities In Schools (CIS), as the 2023 NARPM® charity recipient. For more than 40 years, CIS has worked to surround students with a community of support, empowering them to stay in school and achieve in life. CIS is a national organization that ensures every student, regardless of race, ZIP code or socioeconomic background, has what they need to realize their potential in school and beyond. By surrounding them with a network of trust they can turn to, we empower students to confront and overcome personal challenges and structural barriers—so they can take charge of the future they want for themselves, their communities, and their peers.

CIS is a national network of independent organizations and licensed partners that connects 1.61 million students with caring adults and resources designed to help them succeed. Working in 2,800+ schools across 26 states and the District of Columbia, our evidence-based model connects students to caring adults and community resources to transform how they see and experience the world around them. CIS identifies and addresses the complex barriers to learning that can keep students from achieving their full potential.
