

National Association of Residential Property Managers

NARPM® Strategic Plan

Mission:

The mission of the National Association of Residential Property Managers is to support professional and ethical practices of rental home management through networking, education and designation.

Vision:

Indispensable to the residential property manager and integral in the governance, advocacy, and recognition of residential property management

Core Values: Principles that guide NARPM®

- Respect and integrity among members brought about by ethical, honest and credible behavior.
- Cooperation and sharing as colleagues, instead of competitors.
- Commitment and dedication to the profession of residential property management.
- Promotion of continual learning and professional designations.
- Visionary leadership for the industry.
- Service to the industry and the public.

Themes: Central unifying themes our membership find compelling - what NARPM® does well

- Networking
- Education
- Designations

These are the four strategic themes and corresponding strategic principles:

- **Sustain and broaden the membership**

NARPM® will be an industry specific and accessible association of residential property managers represented in all marketplaces.

- **Recognition/Visibility**

The value and contributions of NARPM® and residential property managers are universally recognized and essential in the governance of the industry.

- **Advocacy & Service**

The fundamental rights of the rental home industry will be preserved and enhanced on behalf of NARPM® members and the public.

- **Knowledge Source**

NARPM® will be a national leader in creating, expanding, refining and transferring the knowledge of rental home management.
